

# TIME FOR A CHANGE?

Gathering date plugs at year end changeovers can be a hassle. With the variety of styles from different manufacturers in your tools throughout your plant, why not make it easy on yourself. Turn to the convenient one stop source for date marking components... Progressive Components.

Progressive offers several styles that are not only compatible with others in the industry, but priced right too!

When it's time for a change... Call 1-800-269-6653.
